

Socorro County Arts is a group working together to promote the arts and artists in the county of Socorro, New Mexico. The goal is to be successful in promoting all arts within the county. It is open to all artists (e.g., performance artists, visual artists, fiber artists, sculptors, jewelers, fine crafters, etc.) and to those who love the arts. The hope is that both the artist and the community will benefit from the organization and the events that are sponsored. The long-term vision is to become a legally recognized non-profit entity serving that goal.

If you are an artist, individual, group, or business that enjoys the arts and would like to help the arts flourish in Socorro County, you are welcome to join Socorro County Arts.

Annual membership dues are \$30 or \$15 for students and seniors. Membership includes:

1. A listing on the Socorro County Arts web site, with a link to yours if you have your own site (a reciprocal link would be appreciated).
2. Invitations to meetings that help shape the nature and policies of the organization.
3. Invitations to events sponsored by the organization.
4. Opportunity to show art in the gallery.
